THIRD PARTY FUROSEMIDE (SALIX) ADMINISTRATION
Horsemen are reminded that third party administration of furosemide (Salix) is in effect at this race meet. Please refer to the 2017 NSA Spring Condition Book (center yellow section) for complete details of the NSA Medication policy. Contact Dr. Jeff Witwer (803-243-0328).

Foal papers are not required to be on file with the Horse Identifier at the races providing the horse can be properly identified; and tattoos are required for all horses, with a one-time exception providing the horse can be identified by his/her markings. All scratches must be made no later than one hour prior to post time for the first race.

As required by the Virginia Department of Agriculture: All horses (including horses originating within Virginia) entering Foxfield Races must have an official health certificate dated within 30 days of entry and signed by a licensed veterinarian. This document must contain the following statement: "Horses represented on this certificate have not originated from a barn with a confirmed or suspected case of Equine Herpes Virus or Strangles, have not shown signs suggestive of these diseases, and have not been febrile within the previous three weeks". Rectal temperature for each horse at the time of examination must be recorded on the health certificate. Coggins test must be conducted within 12 months, and the test report must be presented with the health certificate. The test must be valid to cover the time the horse is expected to be within the facility.

All owners, trainers, and riders should enter at the East Gate (the gate closest to Charlottesville). We will be following a new procedure this year because of the problem with counterfeit tickets. All OTR's must have the proper credentials and hang tags. Credentials will be located at the

barn area in the hands of Brian Barquin. They will receive an OTR ribbon which will give them access to the tower area. They will also receive a parking hang tag with the directions to the parking spot. Horsemen should use alternate routes rather than Garth Road to avoid being stuck in traffic! All horsemen are invited to lunch at the tower beginning at 11:30 a.m.

Following the races the road will be closed to through traffic. Those people who exit from the East Gate must turn right and travel towards Charlottesville.

The Foxfield race course was inspected on April 17, 2017 by Pat Butterfield.

Turf: Height it 3 to 4 inches.

Smoothness: The course is smooth throughout.

Compaction: 120 to 140 (Firm)

Moisture: 6 to 8 (Average to Average Wet)

Notes: Receiving a soaking rainfall, rain began on Saturday and should continue through tomorrow, so the course should be perfect. The course was aerated, seeded, and fertilized following the 2016 fall race meet.
