Course Report – My Lady’s Manor

The Manor race course was inspected on April 5, 2017 by Turney McKnight.

Turf: Uniform

Smoothness: The course is smooth throughout.

Compaction: 8 (Yielding)

Moisture: 8 (Average Wet)

Notes: This inspection was made the day before another heavy rain. The business end of the Manor course never gets too soft so race day should be the best ground ever.

Course Report – Tryon Block House Races

The Tryon Block House race course was inspected on April 3, 2017 by Clerk of Course, Daniel Fradley.

Turf: The turf on this course consists of grass that averaged 4 inches in height at the time of the inspection.

Mowing before race day will be done to keep grass at around 6 inches.

Smoothness: This course has been fertilized, aerated, and harrowed several times during the year and the course is smooth throughout.

Compaction: 110 (Good)

Moisture: 5 (Average) with rain and showers forecast over the next 12 days.

Notes: Overall the Course is in great shape. There were some areas of thinner patchy growth at the time of the inspection, but this grass is actively growing right now and will continue to thicken up with 12 more days before the races.

Quick Official

The NSA has adopted a “quick official” policy which requires riders to claim foul immediately after pulling up following a race. There will be a designated NSA official, either on the ground or on horseback, identified with a distinctive vest, that the riders must lodge an objection with regarding an incident occurring during the running of a race. The stewards will be immediately informed of any such objection and if there are none, the race will be declared “official” before the horses return to be unsaddled.
