NSA Lasix Policy

By order of the Stewards Advisory Committee, trainers are reminded to have a stable assistant on hand with a horse receiving Lasix at the time of administration. If such horse is left unattended, the horse may be scratched by the Stewards and the trainer may be subject to a fine.

Iroquois - Course Report

The Iroquois race course was inspected on April 27, 2018 by David Green and Jimmy Wood.

Turf: The race course has an underlying Bermuda grass base that is inter-seeded each fall with a turf type fescue second premier perennial rye grass.

Smoothness: The courses are very smooth. Courses are core aerated multiple times and the soil cores are then dragged back into the track surface for smoothness.

Compaction: 7-8 (Yielding) Lang Penetrometer readings are even throughout. The track surface has a good feel underneath.

Moisture: 5-6 (Average) readings with the Lincoln Soil Moisture Meter are within the desired range. With normal weather, rain and irrigation system, the same is expected on race day.

Notes: The Iroquois Steeplechase race courses are on a year-round turf grass maintenance program. The irrigation system gives us the ability to better produce a quality track surface for a safe running surface on race day.

Willowdale - Course Report

The Willowdale race course was inspected on April 27, 2018 by Brian Harrop.

Turf: Excellent

Smoothness: The course is smooth and in excellent condition.

Compaction: 80 (Good)

Moisture: 10 (average)

Notes: The course was aerated twice times last week and rolled where rough and aerated again in those places. It was also rolled, aerated and over seeded last fall.

88TH RADNOR HUNT RACES

The Radnor Hunt Races committee is excited to share with you our plans for another spectacular day of racing.

- Running rail has been added to all turns.
- The Paddock area has been moved to the hillside, bringing the action and excitement front and center. This will allow for a shortened walk from the barn. Participating horsemen can watch the race from a Winner's Circle box designated for Horsemen.
- A tent and picnic tables will be set up in the stable area for your comfort. As always there will be complimentary hamburgers, hot dogs and beverages available and apples and carrots for your horses.
- The Best Turned out horse for each Race will be awarded in the Paddock immediately prior to that race.
- The Paddock Club has been expanded and rebranded – it is now the *Fox's Den* — we are thrilled to welcome all participating owners, trainers and riders running or riding that day and one guest to the *Fox's Den* as our guest. If you need extra tickets for friends or family, tickets for the *Fox's Den* are \$150 each. We must have your reservation by May 11 – please call Kathy at 610.388.8315.
- If you don't have a horse running at Radnor, we would love to have you to join us for a thrilling day of racing and want to extend to you a discount for the *Fox's Den* - \$150 per person or \$1,500 per table of ten. Please make your reservation by calling Kathy Smith (ksmith@brandywine.org) in the Radnor office at 610.388.8315 by May 11. We must have reservations in advance.

If you are in town for the weekend, kick off Race Day festivities with a fun evening of dinner, dancing, cocktails and raffles. Back by popular demand, the Wildflower Bash will be held on Friday, May 18 at the Radnor Hunt from 6:30 to 11:30 p.m, on Friday, May 18. Sip on cocktails, mingle with friends, and enjoy themed raffle baskets to begin the night, followed by a delicious, sit-down spring dinner and open bar. Following dinner, attendees can dance the night away with live music by the Ward Marston Orchestra. Festive cocktail attire is recommended. Tickets are \$150 per person and can be purchased by visiting www.radnorhuntraces.org. Radnor Hunt is located at 826 Providence Road, Malvern, PA 19355.
