Far Hills Nominations

The nominations with weights for the five (5) Far Hills Stakes Races to be run on Saturday, October 20th are listed below. As you can see, the nominations for The Peapack, a \$75,000 F/M stakes, are light and there is a possibility that this race may not be carded. With that in mind, the Far Hills Race Meeting is prepared to offer an alternative. There are a few options available, not necessarily in this order:

- split the maiden hurdle
- offer a Ratings Handicap Hurdle (115 or lower) with a \$40,000 purse (2-1/8 miles)
- or any other option that is in the best interests of the race meet and our horsemen

If you are intending to run a horse in the maiden hurdle or the ratings race(s), please call Bill Gallo on his cell phone (443) 553-1882 or notify him on Saturday at the Virginia Fall Races.

Far Hills Course Report

The Far Hills Race Course was inspected October 5th by the Clerk of Course Dean Torsilieri.

Turf: The entire turf course at Moorland Farm was aerated, slice seeded, and sand top dressed immediately after the Far Hills Race Meeting Association's Fall 2017 meet. Spring 2018 operations included divot repair, fertilization, rolling and aeration. Weekly mowing, weed control, and an aggressive IPM program have continued to keep the quality and consistency of the turf at the highest possible level. The turf is thick, lush, and has a clipped top out height of 6-8". There are a few thin areas in parts of the timber course close to the tree line on the backstretch. Ongoing weed control for this part of the course is in place.

Smoothness: The course has been rolled, aerated, and hand walked with root zone mix to fill any divots or cupping. The surface is smooth and consistent with a giving yet firm resiliency. There is NO vehicular traffic allowed on the course at any time

Compaction: Readings taken with a Lang Penetrometer put the turf course at a reading of 50-70. Yielding

Moisture: Average to Average Wet 6-8

Notes: Due to the amount of rainfall there are a few areas of weak turf on the outside edge of the course next to the patrol judge lane. There are no compromised areas on any of the actual courses.

Far Hills Licensing – New Jersey Racing Commission

All Owners, Trainers, Assistant Trainers and Jockeys participating in the Far Hills Race Meeting are required to be licensed by the New Jersey Racing Commission (NJRC). The easiest way to obtain a license is by going to the Commission's website (<https://www.nj.gov/oag/racing/>) and click on "Licensing Forms" on the left-hand side, or by clicking [here](#).

Grooms that are licensed in another racing jurisdiction will be granted reciprocity, as long as they bring proof of a current license. Horsemen that ran at Monmouth Park in August should already be licensed.

The final phase of the licensing process will be completed Saturday morning on the grounds. **NJRC will have a licensing tent located in the barn area.** The licensing area will be staffed by 8:30 a.m.

People applying for licensure need cash (\$132.25) or 2 checks (\$82.25 and \$50). The first check is for \$82.25 which is the cost of fingerprinting. The second check is for \$50 which is the cost of the license fee. Checks made payable to the New Jersey Racing Commission. Credit cards are **NOT** accepted.
