All participating owners, trainers, riders and grooms please use the same Horsemen's gate as the Carolina Cup. Please use the same credentials as the March 30 meet. If you need replacement credentials, please call the office before Saturday.

All post-race testing will be done in two stalls of the four-stall barn between Barn B and the Block Barn. The designated stalls face the Block Barn. Please be advised that horsemen will need to make necessary arrangements for buckets and equipment to cool their horses out in this area if being tested. No horse will be allowed to go back to any outer barns: A, C, D, E until completion of testing.

Schedule of Events:

Make all reservations through the Carolina Cup Office (1-800-780-8117) unless otherwise indicated.

Saturday:  
Immediately following the final race, all horsemen and officials are invited back to the Finish Line Tent (Turf Club tent on the berm) for a reception and race replays.

The Cup Runneth Over course at the Carolina Cup race course was inspected by Jeff Teter on April 1.

Turf: The course is a Bermuda grass turf, which is dormant now. The course was over seeded with winter rye grass in late October. We had a very good germination and one of the best stands of rye we have ever had. The course was mowed once at 4 inches and will most likely not be mowed again. We are looking for 6 to 8-inch stand of turf.

Smoothness: The course is smooth throughout.

Compaction: 110-120 (good) on all three courses.

Moisture: Range was 1-2 (dry) on all three courses.

Notes: There was minimal damage to the course from the Carolina Cup races on March 30. Up to 2 inches of rain is forecast for Tuesday, and possible showers on Friday.
