Dave Hershbell

Turf – Firm

Weather - Partly Cloudy 85 degrees.

1st Race – No incidents.

2nd Race - #7 “Overwhelming” was selected for Tco2 testing. After the race Forest Kelly the rider of # 3 ‘Monstaleur” which finished 3rd, claimed foul against #7 “Overwhelming” which finished 1st and #5 “Coastal Moon” which had finished 5th. Subsequently the stewards were made aware that the claim of foul was being claimed in the final turn. After review, the stewards disallowed the claim of foul. However, while waiting to talk to the riders, the stewards, while reviewing the replay of the stretch run observed Aaron Stinnot, the rider of the #4 horse, “Flaming Sword”, which had finished 4th drift in and interfere with the #5 horse “Coastal Moon”. Aaron Stinnot was also observed not persevering. As a result the stewards disqualified the #4 horse “Flaming Sword” and placed it 5th behind the #5 horse ‘Coastal Moon”. Jockey Aaron Stinnot was fined \$250.00 for careless riding (the stewards noting he had been previously warned about careless riding) and failing to persevere.

3rd Race – No incidents.

4th Race – #3 “Political Theatre” fell at the 5th from last and was subsequently euthanized after being transported to New Bolton Center. Hadden Frost the rider of #3 did not suffer any injury. #4 “Pincer Movement” pulled up after the last fence and did not finish.
