The Iroquois Steeplechase Race Committee is offering a \$10,000 bonus to the owner of the winner of The Bright Hour Stakes (#66) if the horse is ridden by an amateur licensed by the NSA and acceptable to the Iroquois Race Committee. (See guidelines in Condition Book).

The Iroquois race course was inspected on April 29, 2019 by Ted Thompson and Jimmy Woods.

Turf: The turf consists of a thick consistent stand of Champion GQ Perineal Rye grass sewn over a cushion native Bermuda and thatch. The rye will be mowed to a height of approximately 6 inches on the day of the race.

Smoothness: The course was aerated and Cambridge rolled immediately after last year's race and on regular intervals throughout the year. The course is smooth throughout and has a good feel under foot.

Compaction: 100-110 (good)

Moisture: 7 (average wet)

Notes: The Course will be irrigated to maintain readings of 7 (average wet) and 100 (good) up until race day. There was also repair of a culvert at the juncture of the flat, timber, and hurdle courses at just past the box seats. As a result, there is a small patch of thin grass on the flat course. The affected portion will only be used for warm up and gallop out on the day and should not be of any concern. Also, the flat course will be open for training from the top of the first turn to the bottom of the stretch from Thursday morning until race day. Any questions, call 931-212-9076.
