Far Hills Nominations

Please see the attached Far Hill Races nominations and weights (7 races).

New NSA Policy

By order of the NSA Steward's Advisory Committee, smoking and/or vaping is prohibited in the barn area and in the jockey's quarters.

Revised NSA Vet's List Policy

A horse may be placed on the NSA Vet's List by the Stewards, based on a recommendation by the race meet veterinarian, due to pre-race veterinary examination findings or lameness or injury during a race or lameness or health conditions observed post race. During the pre-race examination, if the examining vet discovers a condition that warrants a second review, that horse may be walked "in hand", not lunged or ridden before a second examination.

Any horse that is placed on the NSA Vet's List "for lameness" shall not be eligible for race entry for at least seven (7) days and said horse must be examined by an equine veterinarian at the resident stable. That exam must consist of a complete assessment of that horse with particular attention to the findings that placed the horse on the vet's list. The horse will be observed in hand and under tack at a walk, trot and canter. If examination findings indicate that the horse is racing sound, a drug screen shall be drawn and submitted to a testing laboratory. If that screen is negative, the horse will be removed from the Vet's List. The cost of the examination and the drug screen shall be the responsibility of the trainer or owner of the horse.

This examination of a horse on the NSA Vet's List differs from most flat racing jurisdictions in that there is no designated work required other than observation under tack. This difference is due to the widespread geographic distribution of horses involved in jump racing and the lack of supervising regulatory veterinarians in most areas.

Genesee Valley - Course Report Update

The Genesee Valley race course was inspected on October 7, 2019 by Marion Thorne.

Turf: The turf is very thick. Abundant rain and sunshine have given us consistent growth this summer. Course was mowed regularly this summer, and stands at 4-6 inches.

Smoothness: The course is fair hunting country and as such is quite smooth with no livestock or heavy equipment allowed.

Compaction: 9-12

Moisture: 6-8 (average to average wet)

Far Hills Races – Course Report

The Far Hills race course was inspected on October 7, 2019 by Dean Torsillieri.

Turf: The entire turf course at Moorland Farm was aerated, slice seeded, and sand top dressed immediately after the 2018 Far Hills Race Meeting. Spring 2019 operations included divot repair, fertilization, rolling and aeration. Weekly mowing, weed control, and an aggressive IPM program have continued to keep the quality and consistency of the turf at the highest possible level. The turf is thick, lush, and has a clipped top out height of 6 to 8 inches. The permanent timber fences have been removed with the disturbed areas restored to turf.

Smoothness: The course has been rolled, aerated, and hand walked with root zone mix to fill any divots or cupping. The surface is smooth and consistent with a giving yet firm resiliency. There is NO vehicular traffic allowed in the course at any time.

Compaction: (90 to 110 (good) Readings taken with a Lang Penetrometer.

Moisture: Average 4 to 6 (average dry to average)

Notes: Supplemental watering has been required with the course receiving on average 1 inch of irrigated coverage.

Far Hills Races

Following further review, the Far Hills Race Committee has rescinded its announced policy regarding apprentice riders. Apprentice jockeys will be allowed to ride, However, horsemen are reminded that apprentice allowances are not applicable in stakes races, or all races at Far Hills.

Please note the eligibility condition for the Novice Hurdle (#123) should read:

For Four Years Old and Upward which have not won over hurdles prior to March 1, **2018** or which have never won three races, other than three-year-old. Also, for this race, the penalty clause should now read – **Winners, other than maiden, claiming, starter or three-year-old, or Ratings 115 or lower, 3 lbs. extra for each race won.**

In the seventh race (Filly & Mare Hurdle Stakes), the weights will be assigned by the handicapper.

Attention Trainers: With the upcoming pari-mutuel race meet at Far Hills, it is imperative that all equipment and medication changes are made at the time of entry. Those changes include blinkers, cheek pieces, hoods/masks and Lasix. Please pay particular attention to these details when your entry is made and on race day upon review of your horse's past performance. If your horse has not previously run on Lasix, a NJRC declaration form **must be submitted prior to entry.** If you need to remove your horse from the Lasix list, a **NJRC declaration must also be submitted prior to entry.** These forms can be faxed to 732-462-9894. If any question whether a horse is eligible to run on Lasix, call the NJRC Lasix verifier, Debbie George (732-513-9942).

Far Hills Licensing

All owners, trainers, assistant trainers, jockeys and grooms participating in the Far Hills Race Meeting are required to be licensed by the New Jersey Racing Commission (NJRC). The easiest way to obtain a license is by going to the Commission's website at <https://www.nj.gov/oag/racing/> and click on "Licensing Forms" on the left-hand side. Please complete your forms in advance of your arrival in Far Hills. This will expedite the process on race day. ***There is no longer reciprocity for grooms licensed in other jurisdictions.*** The final phase of the licensing process will be completed Saturday morning on the grounds. **NJRC will have a licensing tent located in the barn area.** The licensing area will be staffed by 8:30 a.m. Licensing fees are as follows: 1-year Owner license \$50; Trainer license \$50; Stable Name license \$50; Multiple Ownership license \$50; Groom license \$5; Fingerprinting \$36. Payment by cash or check. If using checks, please have two separate checks, one for license and one for fingerprinting. Checks should be made payable to New Jersey Racing Commission.

Credentials Needed

Current NSA credentials will be honored for admission to the racecourse grounds. Participating horsemen will be issued paddock passes upon request to Priscilla Miller. **Requests must be made by Tuesday, October 15 via email to fhrraotr@gmail.com**
