of entry and signed by a licensed veterinarian. This document must contain the following statement: "Horses represented on this certificate have not originated from a barn with a confirmed or suspected case of Equine Herpes Virus or Strangles, have not shown signs suggestive of these diseases, and have not been febrile within the previous three weeks". The test must be valid to cover the time the horse is expected to be within the facility.

The Virginia Fall race course was inspected on September 27, 2019 by Doug Fout.

Turf: The turf has been mowed at 6 inches. It is thick throughout and still green.

Smoothness: The course is smooth throughout.

Compaction: 120-123 (good to firm)

Moisture: 4 (average dry)

Notes: We have had very few showers, just enough to keep the grass green, but the turf has held up well considering.
