#### Race III

#7 THAT'S THAT was pulled up before the second last fence tired.

#7 THAT'S THAT was randomly selected by the stewards for pre-race testing.

The clerk of the scales reported to the stewards that jockey Darren Nagel was exhibiting unprofessional conduct upon weighing in after this race by slamming his whip and helmet on the ground etc. The stewards ask the Clerk of Scales to accompany jockey Nagel to the stewards stand after the last race.

#### Race IV

#1 MAJOR ANTHEM and #7 MORE ALEX refused to start in this race.

#1 MAJOR ANTHEM kicked the #3 COLONEL MOORHEAD who was examined by the veterinarian at the start and deemed fit to start.

#1 MAJOR ANTHEM and #7 MORE ALEX are on the stewards list and are not allowed to start at a pari-mutuel race meet or to the exclusion of another horse until successfully starting at a sanctioned race meeting.

#2 SILVER CRESCENT (GB) pulled up upon landing over the last fence, appearing to have broken down. He was vanned off. This horse was examined back at the barn and appeared to have just grabbed his heel and was cleared to ship home.

**OFFICIAL COMMENTS:**

A hearing was held after the last race for jockey Darren Nagel who told the stewards that he was upset because he had just ridden a race in great pain because his over girth was too short and the buckle was rubbing his ankle the entire race and, that in no way was his anger directed towards the Clerk of Scales. The Stewards fined jockey Darren Nagel \$150 (one hundred fifty dollars) for unprofessional conduct at the scales.
