OFFICIAL COMMENTS: Officials and Jockeys meeting occurred as scheduled.

It is noted that there was no medical tent to examine fallen riders.

In Race #4 the last fence needed to be closed as there was an injured jockey. It was apparent that the Patrol Judge was unclear as to the "wave around." Because most Patrol Judges have only one opportunity a year to fulfill the job more training just before the races would be helpful.

Race 1: Other Cheek, Mercoeur, and Cocodimama were pulled up. Reported tired.

Race 2: Alsinaffy lost its rider at the first fence. Jockey Jack Doyle was cleared to ride. Argentic was pulled up. Reported tired.

Race 3: You're No Better, Sudden Victory, and Gold Shield were fallers. Jockeys Michael Mitchell and Graham Watters and Kieran Norris were cleared to ride.

Race 4: There was a recall at the start. My Afleet fell at the 7th. Kieran Norris was not cleared to ride. The Holy One and Big Bend were pulled up. They were reported tired.

Race #5: There was a recall at the start. Zanzi Win lost his rider. Jockey Jack Doyle was not cleared to ride. Skydiving and Knockholt were pulled up. They were reported tired.

All horses that fell or pulled up were examined by the track vet and were cleared to ship home.
