2. If a horse is scratched from a race for which an also-eligible list was created, a replacement horse shall be drawn from the also-eligible list into the race, in numerical order.

L. Preferred List: Stars
1. The Racing Secretary shall maintain a list of entered horses eliminated from starting by a surplus of entries, and these horses shall constitute a preferred list and may have preference (stars) for future races.
2. Horses that have been excluded from a steeplechase race will be given a preference (star) for future steeplechase races only.
3. Stars earned at the race meets are not applicable at major tracks.
4. Stars may be obtained only for the type of race from which a horse was excluded. (Maiden, maiden claiming, claiming, allowance).

8. All stars must be claimed at the time of entry.

7.2. SCRATCHES

A. Time Limit

   3. A horse not entitled to the first weight allowance in a race shall not be entitled to any subsequent allowance specified in the conditions.
   4. In all races except handicaps and steeplechase races where the conditions expressly state to the contrary, the scale of weights is less by the following for fillies and mares: ten (10) pounds before September 1 and eight (8) pounds thereafter in races where competing against male horses.
C. Rider Allowances
1. In all steeplechase races, except handicaps and stakes races, riders who have never ridden a winner are allowed ten (10) pounds; non-winners of fifteen (15) races, allowed five (5) pounds. These apprentice allowances may be claimed up to one (1) hour prior to post-time for the first race.

2. If a rider is entitled to claim one of the above apprentice allowances at the beginning of a day, he shall be entitled to the same allowances until the end of that day, regardless of the number of races he wins.

7.5. CLAIMING RACES

A. General Provisions
   1. A person entering a horse in a claiming race warrants that the title to said horse is free and clear of any existing claim or lien, either as security interest, mortgage, bill of sale, or lien of any kind; unless before entering such horse, the written consent of the holder of the claim or lien has been filed with the Stewards or the Racing Secretary and its entry approved by the Stewards. A transfer of ownership arising from a claiming race will terminate any existing prior lease for that horse.
   2. Every horse claimed shall race for the account of the original owner, but title to a claimed horse shall be vested in the successful claimant at the time the horse starts, or, in the case of a refusal, when the starter has dispatched the field. The successful claimant shall then become the owner of the horse whether it is alive or dead, sound or unsound or injured at any time during the race or after.
3. The Stewards may set aside and void a claim for any horse from a claiming race upon a showing that any party to the claim committed a prohibited action, or that the owner of the horse at the time of entry failed to comply with any requirement of these Rules. Should the Stewards void a claim, they may make a further order for the costs of maintenance and care of the horse as they may deem appropriate.

B. Claiming of Horses
1. Every horse starting in a claiming race is subject to be claimed for its entered price by any person licensed as an owner with the NSA.

2. The registration certificate of every horse entered in a claiming race shall be on file with the Horse Identifier at the race meeting prior to paddock time for the race in question. If the Stewards find that this rule has been violated they shall order the horse to be scratched from the race, and they may fine the trainer.

C. Prohibitions
1. An owner, trainer, or authorized agent shall not:
   a. claim a horse in which the person has a financial or beneficial interest;
   b. cause another person to claim a horse for the purpose of obtaining or retaining an undisclosed financial or beneficial interest in the horse;
   c. enter into an agreement for the purpose of preventing another person from obtaining a horse in a claiming race;
   d. claim a horse, or enter into any agreement to have a horse claimed, on behalf of an undisclosed person; or
   e. claim more than one horse in any one race.

2. Owners having the same trainer are not permitted to claim any horse in the custody of that trainer.

3. Any prohibition stated above shall apply equally to the spouse of a person attempting to claim a horse.

D. Procedure for Claiming
1. Each person desiring to make a claim shall:
   a. deposit at the office of the NSA, verified funds which are sufficient to cover the whole amount of the claim (sales tax excluded); or
b. deliver such funds to the Stewards or their representative at the race meet before the first horse leaves the paddock for the race in question. **Note:** These funds must be in the form of a cashier's check only, payable to the National Steeplechase Association. For purposes of this rule, cash is not an acceptable form of payment.

2. A valid claim shall:
   a. be deposited with the Stewards or their representative before the first horse leaves the paddock for the race in question;
   b. be in writing on a form provided by the NSA;
   c. be signed by the person, or the duly authorized agent of the person, in whose name the claim is made;
   d. contain the name of the horse to be claimed in a manner sufficient to avoid confusion with the name of another horse in the race; and
   e. be for the amount printed in the program as the claiming price of the horse.

E. Approval of Claims
1. After a claim has been lodged, it is irrevocable and at the risk of the claimant.
2. The Stewards or their representative shall inspect the claim forms when the horses for the race enter the track on the way from paddock to post. They then shall ascertain whether or not the proper credit balance has been established with the NSA.
3. If more than one claim is filed on a horse, the successful claimant shall be determined by lot, by the Stewards immediately following the running of the race.
4. An owner shall not be informed that a claim has been made until after the race has been run.
5. Notwithstanding any designation of sex or age appearing in the program, the claimant of a horse shall be solely responsible for the determination of the sex or age of any horse claimed.

F. Transfer of Claimed Horses
1. Upon a successful claim, the Stewards shall issue an authorization of transfer of the horse from the original owner to the claimant. Copies of the transfer authorization shall be forwarded to and maintained by the NSA.
2. A person shall not refuse to deliver a properly claimed horse to the successful claimant.
3. Transfer of possession of a claimed horse shall take place immediately after the race has been run, in the area designated for unsaddling. If the horse is required to be taken to the post-race testing area, the successful claimant or his representative shall take physical custody of the claimed horse after the testing procedure has been completed.

4. When a horse is claimed from a race, the horse's engagements are transferred to the claimant.

5. Ownership interest in any horse claimed from a race shall not be resold or transferred back to the original owner for thirty (30) days after such horse was claimed, except by claim from a subsequent race.

6. A claimed horse shall not remain in the same stable or under the control or management of its former owner.

7.6. PRIOR TO RUNNING OF THE RACE

A. Weighing Out

1. A rider shall report his engagements and any overweight to the Clerk of Scales not later than one (1) hour before post-time for the first race.

2. A rider shall report to the Clerk of Scales to be weighed out not less than twenty (20) minutes prior to the time fixed for the race. At that time his proper weight shall be recorded by the Clerk of Scales, and any overweight shall be reported to the Stewards.

3. A rider may not carry more than ten (10) pounds over the assigned weight, unless he is an amateur rider, in which case the overweight is unlimited, however no rider may carry more than 195 lbs. in a race.

4. A rider's weight shall include his clothing, boots, saddle and its attachments, and any other equipment except the whip, bridle, bit or reins, safety helmet, safety vest, blinkers, goggles or number cloth.

5. A rider must wear a safety helmet and a safety vest, of a type approved by the Board, when riding in any race.

6. No whip shall exceed twenty-eight (28) inches in length or one (1) pound in weight, or be light in color, and must be of a type approved by the Board.

7. Spurs may be used, provided they are of a type that will prod but not cut.
B. Paddock to Post

1. Each horse shall carry a conspicuous saddlecloth number corresponding to the number given that horse in the official program.

2. Each horse shall carry the full weight assigned for that race from the paddock to the starting post, and shall parade past the Stewards' stand, unless excused by the Stewards. If a horse throws its rider on the way from the paddock to the post, the horse must be returned to the point where the rider was thrown, where it shall be remounted and then proceed over the route of the parade to the post.

3. After the horses enter the track, no rider may dismount, except in the case of an accident occurring to the rider, the horse or the equipment. In such cases, the Starter may permit the rider to dismount and the horse to be cared for during the delay, and may permit all riders to dismount and all horses to be attended to during the delay.

4. After passing the Stewards' stand in parade, the horses may break formation and proceed to the post in any manner, unless otherwise directed by the Stewards.

5. No person shall delay the arrival of a horse at the post. Once at the post, the horses shall be started without unnecessary delay.

6. If a rider causes his mount to jump a fence on the way to the post, the rider shall be fined by the Stewards.

7. If only one horse is at the post ready to start at the appointed time, it shall be declared the winner in a "walkover". In such a case, the rider is only required to weigh out and parade the horse to the starting point. At that point, the horse shall be declared the winner and be entitled to receive one-half the money offered for the win.

7.7. RUNNING OF THE RACE

A. The Start

1. The horses shall be started by a flag and there shall be no start until, and no recall after, the Starter has dropped his flag.

2. In the case of a recall, unless at least one horse returns to the Starter the race shall be declared void. Should only one horse return, it shall be considered the winner in a "walkover." Should more than one return, the race shall be started again as soon as possible.

3. Each horse must carry its assigned weight from the starting post to the finish.
B. Interference, Jostling or Striking

1. Unless caused wholly or partly by some other horse, a horse may not carry another horse in or out, cross or weave in front of another horse without sufficient clearance, jostle another horse, intimidate another horse, or impede another horse.
2. A rider shall not ride so as to permit his mount to interfere with, impede or intimidate any other horse in the race.
3. A rider shall not jostle, strike or otherwise interfere with another rider or another rider's horse or equipment.
4. A rider shall not unnecessarily cause his horse to shorten its stride so as to give the appearance of having suffered a foul.
5. When the way is clear in a race, a rider may steer his horse to any part of the course, but if any horse swerves, or is ridden to either side, so as to interfere with, impede or intimidate any other horse, it is a foul.

C. Disqualification

1. In all cases of interference the offending horse may be disqualified, regardless of whether the foul was accidental, or the result of careless or reckless riding if in the opinion of the Stewards the foul altered the finish of the race. If the Stewards determine the foul was due to careless or reckless riding, the rider may be fined and/or suspended.
2. When the Stewards determine that a horse shall be disqualified for interference, they shall place the offending horse behind such horses as in their judgment it interfered with, or they may place it last.
3. Should the Stewards determine that there are multiple incidents of interference in a race where disqualification is warranted, the Stewards shall deal with the incidents in the order that they occur beginning with the first; and under no circumstances shall a horse that was disqualified for interference with another horse or horses be placed ahead of that horse or horses with which it interfered in the final order of finish as determined by the Stewards.
4. If a horse is disqualified for a foul, any horse or horses in the same race belonging wholly or partly to the same owner or trained by the same trainer, may also be disqualified.
5. The Stewards may determine that a horse shall be unplaced for the purpose of purse distribution.
D. Horses Shall be Ridden Out
1. All horses shall be ridden out in every race.
2. A rider shall give a best effort during a race, and each horse shall be ridden to win.

E. Use of Whips
1. Although the use of a whip is not required, any rider who uses a whip during a race shall do so only in a manner consistent with exerting his best effort to win.
2. No electrical or mechanical device or other expedient designed to increase or retard the speed of a horse, other than a whip, shall be used.
3. Prohibited use of the whip includes whipping a horse:
   a. on the head, flanks or on any other part of its body other than the shoulders or hind quarters except when necessary to control a horse;
   b. during the post parade or after the finish of the race except when necessary to control the horse;
   c. excessively or brutally, causing breaks in the skin;
   d. when the horse is clearly out of the race or has obtained its maximum placing;
   e. persistently even though the horse is showing no response under the whip;
   f. striking another rider or horse;
   g. with the whip arm above shoulder height, or
   h. without giving the horse time to respond.

F. Horse Leaving the Racecourse
1. Any horse losing its rider, may not be remounted.
2. If a horse leaves the prescribed course of a race and jumps any fence or goes around any beacon or other obstacle other than those on the prescribed course, it must turn back and resume the race from the point at which it originally left the prescribed course, or be disqualified. A rider who continues in a race on a horse thus disqualified may be fined or suspended, or both.
3. If a beacon or flag is dislodged from its position, it is no longer considered to mark the course and can be ignored by the rider.
G. Order of Finish
1. The official order of finish shall be determined by the Placing Judges, with the approval of the Stewards.
2. The nose of the horse shall determine the placement of the horse in relationship to other horses in the race.
3. No horse finishing five (5) minutes or more behind the winner shall be placed.

7.8. AFTER RUNNING OF THE RACE

A. Returning After the Finish
1. After a race has been run, a rider shall ride promptly to the place designated by the Stewards, dismount and report directly to the Clerk of Scales to be weighed in.
2. If a rider is prevented from riding to the designated unsaddling area because of an accident or illness to the rider or the horse, the rider may walk or be transported to the scales, or may be excused from weighing in by the Stewards.

B. Unsaddling
1. Only persons authorized by the Stewards may assist the rider with unsaddling the horse after the race.
2. No one shall place a covering over a horse before it is unsaddled.

C. Post Race Testing
1. The winner of every race and any other horse designated by the Stewards in their discretion shall be subjected to a post-race blood or urine test or both.
2. Failure to allow or cooperate in the taking of a specimen, or any act or threat to impede or prevent or otherwise interfere therewith, shall subject the guilty person to a penalty as prescribed by the Stewards and/or the Stewards’ Advisory Committee.

D. Weighing In
1. Each rider of a horse which finishes a race shall weigh in with the Clerk of Scales at least at the same weight at which he weighed out, and if under that weight or his assigned weight by more than one (1) pound, his mount shall be disqualified.
2. A rider shall weigh in with all pieces of equipment with which he weighed out.
3. A rider weighing in at more than two (2) pounds over the proper or declared weight, excluding the weight of safety equipment approved by the Stewards, shall be subject to a fine.

4. If a rider fails to weigh in, his mount shall be disqualified and he may be fined or suspended, or both.

E. Dead Heats
1. When two horses finish in a dead heat for first place, all purses or prizes to which first and second horses would have been entitled shall be divided equally between them; and this applies in dividing all purses or prizes whatever the number of horses finishing in a dead heat and whatever places for which the dead heat is run.

2. In a dead heat for first place, each horse involved shall be deemed a winner and liable to penalty for the amount it shall receive.

3. When a dead heat is run for second place and a race objection or protest is made to the winner of the race, and sustained, the horses which ran a dead heat shall be deemed to have run a dead heat for first place.

4. If the dividing owners cannot agree as to which of them is to have a cup or other prize which cannot be divided, the question shall be determined by lot by the Stewards.

F. Calculation of Winnings
1. In calculating the value of a series of races in which an extra sum of money is won, the extra sum shall be calculated in the horse's earnings.

2. In calculating foreign winnings, the current rate of exchange at the time of such winnings shall be adopted.

3. In the case of a “walkover”, one-half the money offered to the winner is earned.

4. Winnings shall apply to all sanctioned races in any country.

5. Winnings of a fixed sum are understood to be winnings in one race, unless specified to the contrary.
7.9. OBJECTIONS, PROTESTS, AND INQUIRIES

A. Persons Eligible to Lodge Objections or Protests
   1. Objections or protests against a horse or rider entered in a race shall be received only when duly lodged by the owner or authorized agent of the owner, or the trainer, or the rider of another horse engaged in the same race and whose horse suffered or could suffer by the alleged rule violation.
   2. An inquiry can be initiated by the Stewards at any time.

B. Form for Objections or Protests
   1. Objections as to interference or fouls occurring during the running of the race may be lodged orally with the Clerk of Scales, the Stewards, or their designee. All other objections or protests shall be made in writing and bear the signature of the complainant, and shall set forth the specific reason or reasons for the objection or protest in such detail as to establish probable cause for the objection or protest.
   2. Objections or protests lodged during, or within forty-eight (48) hours after a race meeting shall be addressed to the Stewards. Objections or protests lodged thereafter shall be addressed to the Stewards’ Advisory Committee.
   3. An objection or protest once lodged cannot be withdrawn without permission of the Stewards.

C. Time for Lodging Objections or Protests
   Objections or protests based on the following rule violations must be lodged within the time prescribed therefore:
   1. At least one (1) hour before post-time if objection is based on incorrect weight for a horse entered to race. The Stewards, upon their own motion, may consider an objection until such time as the horse becomes a starter.
   2. Before the race has been declared official if objection is based on interference by a horse, improper course run by a horse, foul riding by a rider, or any other matter occurring during the running of the race.
   3. Not later than forty-eight (48) hours after the race was run, if objection or protest is based on the fact that a horse was not qualified under the conditions of the race.
   4. Not later than one (1) year after the race was run if the objection or protest is based on fraudulent or willful misstatement in entry under which a horse has run.
D. Stewards' Inquiry
1. The Stewards shall take cognizance of foul riding and, upon their own motion or that of any racing official or person empowered by this chapter to object or protest, shall make diligent inquiry or investigation into such objection or protest when properly received.
2. In determining the extent of disqualification, the Stewards in their discretion may:
a. disqualify the offending horse and hold the rider blameless if, in the Stewards' opinion, the interference to another horse in a race was accidental, and not the result of careless or reckless riding on the part of a rider;
b. disqualify the offending horse and hold the rider responsible if, in the Stewards' opinion, the interference to another horse in the race was the result of careless or reckless riding on the part of the rider; or
c. affirm the placing judges' order of finish and hold the rider responsible if, in the Stewards' opinion, the careless or reckless riding did not affect the order of finish.

E. Final Determination of Acts in Race
1. On all matters occurring during the running of a race and before the race is declared official, the Stewards shall:
a. determine all factual issues;
b. decide all objections and inquiries based upon violations of Rule 7.7; and
c. determine the extent of disqualification of the offending horse and the placing of affected horses.
2. These decisions of the Stewards shall be final and no appeal may be taken thereon.

F. Final Determination of Objections or Protests
1. When a race is in dispute, both the horse that finished first and any horse claiming the race shall be liable to all the penalties attached to the winner of that race until the matter be decided by the Board, whose decision shall be final.
2. The Stewards may order any purse, award or prize for any race withheld from distribution pending the determination of any objection or protest.
3. In the event any purse, award or prize has been distributed to an owner or for a horse which by reason of an objection, protest or other reason is disqualified or determined to be not entitled to such purse, award or prize, the Stewards or the Board may order such purse, award or prize returned and redistributed to the rightful owner or horse.

4. Any person who fails to comply with an order to return any purse, award or prize erroneously distributed shall be subject to fines and suspension.
CHAPTER 8
HEARINGS, REVIEWS AND APPEALS

A. The Stewards shall decide the nature and extent of any disciplinary action to be taken against a rider for a violation of Rule 7.7 or any other offense occurring during the running of a race. The offending rider shall have the opportunity to meet with the Stewards before such disciplinary action is taken.

B. In all other cases involving a rule’s violation, the Stewards shall conduct a hearing for the parties involved as soon as is practicable.
   1. Before conducting a hearing, the Stewards shall notify the party of the specific rule or rules infraction for which he is charged, the facts supporting the charge and the time and place of the hearing.
   2. All Stewards’ hearings shall be closed, and the Stewards shall cause no public announcement to be made concerning a matter under investigation until conclusion of the hearing and the party charged has been notified of the decision.
   3. The Stewards shall conduct the hearing in such a manner as to ascertain and determine the substantial rights of the parties involved, and shall not be bound by technical rules of procedure and evidence.
   4. If at the conclusion of said hearing the Stewards shall find that a rule has been violated, they shall promptly issue a written ruling which sets forth the name of every person charged with the rule violation, identification of such person (if licensed) by license classification and address, the rule number and pertinent parts of the rule violated, the finding by the Stewards as to the violation of such rules, and the penalty affixed by the Stewards. Copies of such rulings shall be delivered to each party in interest.
   5. At least the Presiding Steward and one additional Steward shall be present at all times at the hearing.
8.2. STEWARDS’ ADVISORY COMMITTEE HEARINGS

A. B. In all such hearings, the Stewards’ Advisory Committee shall provide written notice to all interested parties.
   1. In the case of an alleged rule violation, the notice shall specify the specific rule or rules alleged to have been violated, the facts supporting the charge and the time and place of the hearing.
   2. In all other cases, the notice shall describe the matter to be adjudicated, the rules involved, if any, and the facts and issues identified as relevant to a determination.

C. In conducting hearings of the Stewards’ Advisory Committee:

   3. If at the conclusion of said hearing the Stewards’ Advisory Committee shall find that a rule has been violated, they shall promptly issue a written ruling which sets forth the name of every person charged with the rule violation, identification of such person (if licensed) by license classification and address, the rule number and pertinent parts of the rule violated, the finding by the Stewards’ Advisory Committee as to the violation of such rules, and the penalty affixed by the Stewards’ Advisory Committee. Copies of such rulings shall be delivered to each party in interest.
   4. In all other cases, the Stewards’ Advisory Committee shall promptly issue a written ruling specifying the name of the person(s) affected by the ruling, the address of such person(s), the rules involved, if any, the determination made and the reason therefore. Copies of such ruling shall be delivered to each party in interest.

8.3 HEARING, REVIEW AND APPEALS COMMITTEE

A. Any party who is the subject of any order or ruling of the Stewards or the Stewards’ Advisory Committee may appeal to the Hearing, Review and Appeals Committee (referred to hereafter in these Rules as the “Hearing Committee”) for a review of such order or ruling. This right of appeal does not apply to decisions of Stewards regarding the nature and extent of disqualification of horses for violation of Rule 7.7 during the running of a race, which are deemed final.

B. The Hearing Committee shall be appointed by the Board and shall consist of not less than three (3) members who shall serve three-year terms as panel members at hearings. The President of the NSA shall appoint a committee chairman who shall chair the committee and decide pre-hearing matters and procedures. These appointments should, as far as practicable, assure a broad balance of racing experience. It shall be the duty of the Hearing Committee to hear appeals in connection with alleged violations of the Rules in accordance with the powers and duties as provided in the Rules.

8.4. APPLICATION FOR REVIEW

A. An application to the Hearing Committee for review of a Stewards’ order, or ruling or that of the Stewards’ Advisory Committee, must be made within five (5) days after such order or ruling is issued in writing, and shall:

   3. set forth the reasons for making such application;
   4. request a hearing.

B. The Hearing Committee may stay a suspension until final determination by the Board.
8.5. CONTINUANCES

A. All applications for continuance made prior to a hearing shall be in writing, shall set forth the reasons therefore, and shall be filed with the Hearing Committee after giving notice of such application by mail or otherwise to all parties or their attorney. At the time of the hearing, applications for continuance may be made orally. If requested, and in the manner prescribed by the Hearing Committee, the party applying for the continuance shall substantiate the reasons contained in such application.

An application received within the ninety-six (96) hour period will not be granted unless a satisfactory arrangement in writing is made with the Hearing Committee for the payment of all expenses resulting from such continuance. However, the Hearing Committee may waive payment of such expenses for extenuating circumstances.

D. If the Hearing Committee approves the application for continuance, the Hearing Committee forthwith shall set a date for the continued hearing.

8.6. APPEAL HEARINGS

A. Upon appeal of a matter determined by the Stewards or the Stewards’ Advisory Committee, a de novo hearing, except as provided herein below, shall be held by the Hearing Committee. B. Before holding any hearing provided for under these Rules, the Hearing Committee shall:

1. Give written notice forthwith to all parties personally or by mail. If indispensable and necessary parties compose a large class, notice shall be served upon a reasonable number thereof as representatives of such class. Such notice shall include a statement of:
   a. time and place of such hearing as designated by the Hearing Committee, but such time shall not be less than five (5) days nor more than thirty (30) days after service of notice unless at the request of a party and in order to provide a fair hearing;

3. Upon written request of a representative of the Hearing Committee or of an accused, there shall be furnished before said hearing any evidence to be introduced at a hearing, the names of witnesses and the substance of their testimony.

g. Any party may request in writing, at least five (5) days prior to the hearing and at such party’s expense, the hearing be stenographically recorded; and
h. Final adjudication including findings of fact, based exclusively on evidence presented at the hearings and matters officially noticed, and any decision, opinion and ruling by the Hearing Committee on the matter.

6. The Hearing Committee may exclude evidence that is irrelevant, immaterial or unduly repetitious, and may admit evidence inadmissible under the rules of evidence but is of the type commonly relied upon by reasonably prudent men in the conduct of their affairs.
   a. Objections to evidentiary offers may be made, and shall be noted in the record; and
   b. All or part of the evidence may be received in written form if the interest of the appearing parties will not be substantially prejudiced thereby.

7. The Hearing Committee may take official notice of technical facts or customs or procedures common to racing, but all appearing parties to the hearing shall be duly notified. Appearing parties shall have an opportunity to contest facts so noticed, including Hearing Committee memoranda or Hearing Committee data.
8. Members of the Hearing Committee participating in the adjudication of a matter before it shall not, directly or indirectly:
   a. In connection with any issue of fact in the matter before the Hearing Committee, consult with any person or party who was engaged in the investigation or prosecution of the matter before the Hearing Committee, or conduct any personal investigation outside the record, without giving an opportunity for all appearing parties to participate.

11. Decisions of the Hearing Committee shall be the final decision of the NSA and no appeal may be taken thereon.
CHAPTER 9
FORBIDDEN SUBSTANCES AND PRACTICES

9.1. FORBIDDEN SUBSTANCES

A. No horse may participate in any race **with, and carry in its body during the running of a race**, any forbidden substance, or any controlled therapeutic substance in excess of the maximum permissible level as specified in the ARCI Controlled Therapeutic Substances list as may be amended from time to time. A forbidden substance is any drug, or drug metabolite, which might affect the speed or performance of a horse. Also prohibited are any drugs, regardless of how harmless or innocuous they might be, which might interfere with the detection of the aforementioned forbidden substances.

B. Any trainer or person subject to these Rules who administers, attempts to administer, instructs, aids, conspires with another to administer, or employs anyone who administers or attempts to administer a forbidden substance to a horse competing at a sanctioned race meet shall be subject to the penalties provided under these Rules.

C. The owner of a horse found to have received a forbidden substance may be required to forfeit or promptly return any portion of the purse and any trophy in such race. If a horse is disqualified in a race because of an infraction of this rule, the eligibility of other horses which ran in such race and which have started in a subsequent race before announcement of such disqualification, shall not in any way be affected.

D. A trainer of a horse found to have received such forbidden substance shall be subject to whatever penalty is assessed by the Stewards under any of the Rules, including reference to the Board or the Stewards’ Advisory Committee. Said trainer may be fined and may be suspended for a period of up to one year for the first offense, said suspension to be served at any time at the discretion of the Stewards or the Stewards’ Advisory Committee.

E. A horse found to have received a forbidden substance may be suspended for any period of time specified by the Stewards or the Stewards’ Advisory Committee.
F. Horses in competition at recognized race meetings are subject to examination by the Race Day Veterinarian, the NSA Medication Veterinarian and the Testing Veterinarian. Such veterinarians, with the approval of the Board, may appoint a technician to perform certain duties under this section. The examination may include physical, saliva, urine, blood tests, or any other tests or procedures in the discretion of such veterinarians necessary to effectuate the purpose of this rule.

G. Should the chemical analysis of blood, urine, saliva or other samples taken from a horse indicate the presence of a forbidden substance or any metabolite or derivative thereof, this shall be prima facie evidence that the forbidden substance has been administered to said horse in violation of these Rules.

H. During the taking of specimens from a horse, the owner or trainer (who, in the case of a claimed horse, shall be the person in whose name such horse raced), or a stable representative designated by such owner or trainer, shall be present and witness the taking of such specimen and so signify in writing.

9.2. FORBIDDEN PRACTICES

B. No person shall have in his possession on Association Grounds, nor shall any person use appliances, electrical, mechanical or otherwise of such nature as could affect the speed or racing condition of a horse.

C. No person may possess at a sanctioned race meet an instrument used for shock wave therapy. No horse may be treated with any form of shock wave therapy within ten (10) days of racing. The administration of shock wave therapy may only be performed by a licensed veterinarian. A veterinarian using shock wave therapy shall document and report each treatment on his daily medication report. A trainer or veterinarian who has been found to have violated any of the above provisions of this policy shall be subject to appropriate disciplinary action by the stewards including, but not limited to, a maximum suspension of ninety (90) days.
D. The use of agents that elevate the horse's TCO2 or Base excess level above those existing naturally in the untreated horse at normal physiological concentrations is prohibited. The following levels also apply to blood gas analysis:

1. The regulatory threshold for TCO2 is 37.0 millimoles per liter of plasma/serum or a base excess level of 10.0 millimoles, and;
2. The decision level to be used for the regulation of TCO2 is 37.0 millimoles per liter of plasma/serum plus the measurement uncertainty of the laboratory analyzing the sample, or a base excess level of 10.4 millimoles per liter of plasma/serum;
3. A laboratory report indicating total carbon dioxide (TCO2) levels in blood serum or plasma shall not exceed 37 millimoles per liter of serum or plasma.
4. No split sample shall be permitted for the purpose of TCO2 analysis.
CHAPTER 10
MEDICATION

10.1. FUROSEMIDE

A. The use of furosemide (Salix®) shall be permitted under the following circumstances:
   1. Trainers shall designate the use of furosemide (Salix®) at the time of entry and that designation shall be indicated by placing the letter "L" after the horse's name.
   2. Furosemide (Salix®) levels must not exceed 100 nanograms per milliliter (ng/ml) of plasma in horses administered furosemide (Salix®) and with urine specific gravity measuring 1.010 or lower. Furosemide (Salix®) must be present in the plasma of any horse, which has been designated as being treated with the substance.
   3. Furosemide (Salix®) may only be administered [a] by intravenous injection; [b] no less than three hours prior to post-time for which the horse is entered to race; [c] in the assigned stall for the horse on Association grounds and, [d] in a dosage which shall not exceed 10 ml (500 mg) and shall not be less than 2 ml (100 mg) as prescribed by the trainer and communicated to the NSA Medication Veterinarian not less than four (4) hours prior to post time for the race, and shall be attended by the trainer or his or her representative at the prescribed time for administration of furosemide Salix®.
   4. All horses running with furosemide Salix® shall be on Association grounds at least four (4) hours prior to post time for the race in which entered.
   5. No other medication may be administered within 24 hours of a race, including any adjunct medications.
   6. Furosemide Salix® may only be administered by or under the direction of the NSA Medication Veterinarian.

B. If, prior to a race, a trainer or the NSA Medication Veterinarian reports that a horse has not received furosemide (Salix®) even though its use was declared at the time of entry, the Stewards shall order the horse to be scratched from the race, and they may fine the trainer.
C. It will not be necessary for a horse to "qualify" for the use of furosemide (Salix®) by being observed as a bleeder.

D. Violations pertaining to the use of furosemide (Salix®), other than those listed above, may result in disqualification of the horse and a fine and/or suspension of the trainer. Examples of these violations may include the absence of furosemide (Salix®) in a horse declared to be on it and, conversely, the presence of furosemide (Salix®) in a horse, which has not been declared to be on it.

10.2. CONTROLLED THERAPEUTIC SUBSTANCES

A. Therapeutic Medications
   1. Certain medications have recognized therapeutic benefits in the routine treatment of illness or injury in a horse, but may not exceed specified thresholds on race day as prescribed from time to time by the Stewards' Advisory Committee and posted by the NSA on its website or other accessible reference point.
   2. As a convenience to licensees, the Stewards’ Advisory Committee will provide guidelines or other interpretive guidance concerning recommended dosage and withdrawal times, which may be amended or supplemented from time to time.
   3. Violations of threshold limits will be subject to penalty as prescribed by the Stewards or the Stewards’ Advisory Committee.
   4. No more than one approved non-steroidal anti-inflammatory drug (NSAID) may be present in a post race test sample.
   5. As a convenience to Licensees, the Stewards’ Advisory Committee may provide guidelines concerning recommended dosage and withdrawal time, which may be amended from time to time.
   6. Violations of threshold limits will be subject to penalty as prescribed by the Stewards.

B. Steroids
   1. No androgenic or anabolic steroids may be administered to a horse except for the following therapeutic substances – Boldenone (Equipoise), Nandrolone (Dubrabilin), and Testosterone (hereinafter “permitted steroids”).
   2. On race day, permitted steroids may not be present in post race tests of urine in excess of the following thresholds:
a. Boldenone – 15 ng/ml for intact males; 0 ng/ml for geldings or female horses.
b. Nandrolone – 1 ng/ml in geldings or female horses; 45 ng/ml for intact males.

B. The Board or the Stewards' Advisory Committee may fine or suspend any person for the violation of the above Rules, or impose other penalties as, in its judgment, shall be appropriate and proper under the circumstances.

C. If any trainer, rider, stable employee or other licensee solicits bets on a horse from the public, by correspondence or other methods, the Stewards may impose such punishment and take such action in the matter as they deem to be within the intent of these Rules, including reference to the Board.

D. When any person subject to the jurisdiction of the Board is formally charged with the violation of these Rules, or any criminal statute of any state or of the United States, the Board may suspend him until the charge has been tried, dismissed or otherwise disposed of. license in this jurisdiction, which proceeding shall be initiated within five days of such summary suspension.

D. All horses under the care of a trainer who has been ruled off or has been suspended, whether temporarily for investigation or otherwise, shall be automatically suspended from racing during the period of the trainer’s exclusion or suspension. Permission may be given by the Stewards of the meeting for the transfer of such horses to another trainer during such period and, upon such approval, such horses shall again be eligible to race.
