### **Nominations and Entries**

All nominations and entries for races described in this condition book are to be made at the prescribed times with the National Steeplechase Association ("NSA") in accordance with its Rules of Racing (the "Rules"), which can be found on the NSA website. Copies of the current Rules may also be obtained from the NSA by calling 410-392-0700 or emailing courtneyreid@nationalsteeplechase.com.

### **Racing Authority**

The race meeting at International Gold Cup will be conducted in accordance with the rules of the Virginia Racing Commission. All horsemen are urged to be familiar with the applicable Commission rules. All other races contained in this condition book will be conducted under NSA rules.

Every person entering a horse in a race to be run under the rules of the respective state Racing Commission, or the National Steeplechase Association, accepts the decision of the respective racing authority, the Directors of the National Steeplechase Association, or the Stewards of the meeting, as the case may be, on any question relating to a race or to racing.

### **Overnights and Official Notices**

Overnights containing entries and other pertinent information for a race meeting are generally published Monday afternoon for race meetings occurring the following weekend. Horsemen are encouraged to examine such overnights carefully for errors, delayed closings and other information applicable to a particular race meeting. Any questions or concerns should be immediately brought to the attention of William Gallo, Director of Racing. Official Notices are published weekly during each racing season. They contain information concerning substitute races, course conditions (based upon inspections and quantified levels of moisture and compaction) for upcoming race meets, rule changes and other official determinations. Horsemen are urged to consult these Official Notices regularly for information that may impact the races described in this condition book.

### **Rider Fees**

In the absence of a specified contract, the fee to a rider in a steeplechase race shall be as follows: \$150, or 10% of the money earned in all places (whichever is greater). The fee to a rider in a training flat race shall be \$50. In flat races with purses, the fee to a rider shall be as follows: \$100, or 10% of the money earned in all places (whichever is greater).

### **Rider Licensing Requirements/Insurance Coverage**

A rider is required to have and maintain health insurance as a condition of licensure, and must provide evidence thereof at the time of application for a license. In addition, all riders are required to take a baseline ImPACT test. An accident medical insurance policy (underwritten by Zurich North America) covers all licensed NSA riders participating in NSA sanctioned races. Please note that the policy provides "excess" coverage, which means it does not provide any reimbursement for medical expenses that are payable under any other insurance available to the claimant. This policy does not include the races at Fair Hill, MD, or the major racetracks that host steeplechasing.

### **Policies**

In addition to the provisions of NSA Rules, horsemen are advised of the following policies and useful information:

#### **Entry Fees**

Entry fees equivalent to 3% of the purse will be deducted from earnings of the first five finishers in all NSA sanctioned races. Those fees will be scaled at 1/2% to enter, 1/2% if not scratched on time Wednesday, and 2% to start. All fees will be waived for horses that run and do not earn a portion of the purse. Note: Supplementary nominations, to most stakes, may be made at entry time, at an additional cost of 1% of the purse.

#### **Training Flat Races**

All training flat races run under NSA rules are sanctioned by the NSA, and, as such, all rules apply, including the rules on forbidden substances. **However, these races do not count toward a horse's official record.**

#### **Lasix**

Trainers are reminded to have a stable assistant on hand with a horse receiving Lasix at the time of administration. If such horse is left unattended, the horse may be scratched by the Stewards and the trainer may be subject to a fine.

#### **Horse Identification**

All horses running under NSA rules must be tattooed. A horse is ineligible to start in a race when it has not been properly tattooed; provided, however, that if the horse can otherwise be identified to the satisfaction of the Horse Identifier, the Stewards, for good cause shown, may permit the horse to start, but not more than once, without a tattoo. Horses that have been microchipped per The Jockey Club standards, are eligible to run under NSA rules provided they can be properly scanned and identified.

#### **Shoes**

No toe grabs, caulks, stickers, turndowns, inserts, trailers or heel extensions will be allowed on the front or hind shoes. Note: The insert on the toe of the Queen's Plate is considered a "wear plate," not a toe grab. Block heels on the hind shoes (not to exceed 1/4 inch) are permissible. Outer rim shoes are prohibited. Only Queen's Plate Falt, Queen's Plate Wedge, and Steel Traiing Plates or their equivalent may be used

#### **Pre-Race Testing**

The Stewards may randomly select horses for pre-race testing. Those selected must report to a specified stall prior to leaving for the paddock. Failure to submit to this test will result in an automatic scratch.

#### **Adjusted Weights**

In all allowance and open hurdle races (including stakes) at NSA race meets, weights will be adjusted upward when a high weight (by allowance condition) is not entered or the high weight is scratched at scratch time.

#### **Code of Conduct**

As a condition of license all NSA licensees are expected to conduct themselves in a manner consistent with the best interests of racing. Any conduct deemed to be detrimental to the sport, the NSA, or the individual race meets and their representatives will subject the offender to a fine or suspension, or both, in accordance with the NSA Rules of Racing.

#### **Waiver Claimer**

At the time of entry into any NSA steeplechase claiming race, the trainer may declare a horse ineligible to be claimed provided:

1. The horse has been laid off and has not started for a minimum of 120 calendar days since its last race; **and**
2. The horse is entered for a claiming price equal to or greater than the price at which it last started over jumps.

## NSA Ratings System 2020

The Handicap Committee will again consist of chartcaller Martin Chamberlin, journalist Joe Clancy and racecaller Will O'Keefe, with oversight by NSA Director of Racing Bill Gallo.

**To be eligible for any Ratings Handicap, a horse must be entered in the Ratings system at least one week prior to the close of entries of such race.**

Ratings will be assigned to hurdle winners only, ages four-years-old and upward. In all Ratings Handicaps, high weights will be preferred.

**Automatic Ratings:** Winners of certain races will be automatically assigned a rating for one race, after which they will be rated by the committee.

A maiden special weight winner: **116.**

A maiden claiming winner (\$25,000-\$20,000): **110.**

A filly/mare restricted maiden winner: **107.**

A maiden claiming winner (\$15,000-\$10,000): **105.**

### Other Policies:

A horse with an official rating in another country will race on that figure for one American start.

**Fillies/Mares and Four-Year-Olds will be allowed 4 lbs. additional in a Ratings Handicap. Note: only one allowance is applicable.**

In all Ratings Handicaps, once the race is drawn, the highest rated horse will be assigned 158 lbs. with all other weights adjusted accordingly based on the current ratings. If the highest rated horse scratches, the next highest rated horse will assume top weight and all others adjusted accordingly.

The minimum weight in all Ratings Handicaps will be 140 lbs., not including apprentice allowances. Apprentice allowances may not be claimed in Ratings Stakes.

## NSA CENTRAL BOOKKEEPING

The NSA Central Bookkeeping System is in effect at all meets. **Purses will be distributed by the NSA as follows: 60% to first; 18% to second; 10% to third; 7% to fourth; and 5% to fifth.** All unearned purse money will be accumulated in the Reverted Purse Opportunity Fund or retained by the race meeting. "Runners Reward" applies to all races, with all fees waived for any horse that runs and does not earn a portion of the purse, unless otherwise noted.
