Ratings

Please see the attached current ratings list. If your horse does not appear on this list and you submitted your Spring Horses in Training list, please inform Bill Gallo or Harper McVey. If you did not submit a Spring Horses in Training list, please do so and your ratings horses will be added.

New Rider Allowance Policy

In all steeplechase races, except handicaps (other than ratings) and stakes races, riders who have never won a race, allowed ten (10) pounds; riders who have not won five (5) races, allowed seven (7) pounds; riders who have not won fifteen (15) races, allowed five (5) pounds. Once a rider wins fifteen (15) races, he/she is no longer eligible for an allowance. These apprentice allowances may be claimed up to one (1) hour prior to post-time for the first race.

Updated Lasix Guideline

A horse that is entered on Lasix and does not receive Lasix will not be permitted to run, **unless it is determined by the Stewards that there were extenuating circumstances that led to the inability to administer the medication in a timely manner, and the trainer of the horse chooses to run the horse without Lasix. Under these conditions, the trainer assumes all risk as it relates to the health and condition of the horse during or immediately following the race.**

Iroquois Allowance Timber

The Mason Houghland Memorial (#61), to be run on Saturday, June 26, 2021, is open to include four year olds. The four year old weight is 155 lbs.
