Updated Lasix Guideline

A horse that is entered on Lasix and does not receive Lasix will not be permitted to run, **unless it is determined by the Stewards that there were extenuating circumstances that led to the inability to administer the medication in a timely manner, and the trainer of the horse chooses to run the horse without Lasix. Under these conditions, the trainer assumes all risk as it relates to the health and condition of the horse during or immediately following the race.**

Note: This policy supersedes NSA Rules of Racing 10.1.B.
