My Lady's Manor - Saturday, April 10

A reminder to all horsemen: nominations for the My Lady's Manor Timber Stakes (#2) close on Monday, March 29. Please make your nominations with Bill Gallo or Harper McVey.

NSA Clenbuterol Policy

Clenbuterol is an accepted treatment for certain respiratory diseases in the horse, however, it has been used off label for its partitioning affects and as an anabolic agent.

Clenbuterol is prohibited in racing and NSA has a zero tolerance level for this substance in post-race testing. If a horse has been prescribed by a veterinarian for the treatment of respiratory disease in a horse that is to run in an NSA sanctioned race, a copy of that prescription must be filed with the NSA Equine Medical Director at the NSA office.

No horse should run within 30 days of treatment and if there is a question of clearance then a pre-race drug test should be run to ensure compliance.

If clenbuterol has been detected in a horse's post race or out-of-competition sample and the appropriate prescription has not been filed, the horse shall be placed on the Official Veterinarian's List pending investigation.

Cheshire Races - Sunday, March 28

The post time for The Louis Neilson, III (first division) is 1:30 PM. Please note this change.

There will be no jockeys' tent. There will be one trailer available for jockeys.

There will be no stalls. Horses entered in The Louis Neilson, III should arrive in a separate van, which will be parked in a separate parking area. There will be 2 temporary stalls for Lasix administration and pre- and post-race testing. There are 4 stalls available in the hunt barn for veterinary care.

The Cheshire Races course was inspected on March 12, 2021 by Brooke Boyer.

Turf: Turf consists of pasture and fescue and is good throughout.

Smoothness: The course is fair hunting country and is reasonably smooth.

Compaction: 90.5 (soft) - 80-110 (soft to good in different locations)

Moisture: 8 (average wet) - 5-8 (average to average wet in different locations)

Notes: Road crossings will be stone dust and mulch.

EasyFix Fence

The new EasyFix fence will be utilized at all NSA race meets this spring for all hurdle races with the exception of the Iroquois Steeplechase, which will use the National Fence.

Steeplechase racing at Colonial Downs will be run over the EasyFix Fence. Steeplechase racing at Saratoga and Belmont will be run over the National Fence.

Please arrange a schooling session at any of the following locations:

Camden, SC – Toby Edwards (803-420-8649)

Cochranville, PA – Sanna Neilson (610-656-3990)

Middleburg, VA – Doug Fout (540-270-9612)

Shawan Downs (MD) – Danielle Oster (443-386-2097)

Also, the purse for the Carolina Cup (#39) has been raised from \$30,000 to \$35,000, conditions remaining the same.

Iroquois Steeplechase - Saturday, June 26

The following bonus will be added to the Mason Houghland Memorial Allowance Timber (#61): The owner of the winner of this race will receive a \$10,000 bonus if the horse is ridden by an amateur licensed by the NSA and acceptable to the Iroquois race committee.

Ratings

Please see the attached current ratings list. If your ratings horse does not appear on this list, please inform Bill Gallo or Harper McVey and the horse will be added.

New NYRA Policy

Please note that horses aged 10 years old and upward will not be permitted to run at NYRA race-tracks. This change in policy does apply to steeplechase races.

New Rider Allowance Policy

In all steeplechase races, except handicaps (other than ratings) and stakes races, riders who have never won a race, allowed ten (10) pounds; riders who have not won five (5) races, allowed seven (7) pounds; riders who have not won fifteen (15) races, allowed five (5) pounds. Once a rider wins fifteen (15) races, he/she is no longer eligible for an allowance. These apprentice allowances may be claimed up to one (1) hour prior to post-time for the first race.

Revised Apprentice Rider Policy

By order of the NSA Stewards Advisory Committee, the Apprentice Rider Policy has been revised for the 2021 Spring Steeplechase Season. If a trainer would like to use an apprentice rider that has not met the prior conditions of eligibility, they must submit a **“Petition to Ride”** request to the Stewards Advisory Committee, at least two weeks prior to the time of entry for the race in question. That request will be thoroughly reviewed by the Committee and a determination will be made on their best judgment. Petitions not sent in a timely manner will automatically result in a denial of the request.

Updated Lasix Guideline

A horse that is entered on Lasix and does not receive Lasix will not be permitted to run, **unless it is determined by the Stewards that there were extenuating circumstances that led to the inability to administer the medication in a timely manner, and the trainer of the horse chooses to run the horse without Lasix. Under these conditions, the trainer assumes all risk as it relates to the health and condition of the horse during or immediately following the race.**

Note: This policy supersedes NSA Rules of Racing 10.1.B.
