

NSA Official Policy April 14, 2021

Revised NSA Shoe Policy

Following recent incidents of horses slipping and falling, and after hearing the concerns of horsemen, the Stewards Advisory Committee has made the following modification (in bold) to the NSA Shoe Policy:

No toe grabs, caulks, stickers, turndowns, inserts, trailers, or heel extensions will be allowed on the front or hind shoes. Note: The insert on the toe of the Queen's Plate is considered a "wear plate," not a toe grab. Block heels on the hind shoes (not to exceed ¼ inch) are permissible. **Outer rim shoes are allowable providing there is no toe grab.**
