Notes: The course was topped dressed and sliced for vertical decompaction and overseeded on April 17, 2021. The course was also shatter tine aerated late last fall. Looking at the long-range forecast, there is a chance of rain every day from now until the races.

Radnor Hunt Races - Horsemen's Notices

Due to COVID-19 requirements by the Commonwealth of Pennsylvania Governor and the Radnor Hunt there are additional biosecurity requirements this year pertaining to all horses entering the Radnor Hunt Property. These are in addition to the normal biosecurity processes normally related to race day. Please review these changes to be adequately prepared.

- “All horses must be accompanied by a report of an official negative test for equine infectious anemia (Coggins Test) conducted within the last 12 months. The Certificate must accompany all horses to gain access to the races. This requirement will be strictly enforced. Please turn in a copy of your Coggins test to the Veterinary
- Any horse that has been in any of the infected barns since March 20, 2021 will not be allowed to run at Radnor Hunt Races.
- All horses entered to race should have rectal temperatures taken that morning by the trainers and any horse with a temperature over 101 F should not race.
- All horses originating from outside Pennsylvania must have an interstate health certificate with the examination within 3 days of race date.
- Normal biosecurity measures must be followed.
 - Horse identifiers must wear disposable gloves when checking lip tattoos and dispose of such between horses.
 - Veterinarians must do the same.
 - No horses should share water buckets. Have a bucket for each horse.
 - The attending veterinarians shall scratch any horse showing respiratory symptoms and place that horse and handler in isolation.
 - All treatment stalls should be disinfected with an approved product prior to use.
 - It is recommended that anyone handling more than one horse use hand sanitizer between horses.
 - Outriders must keep their horses separate from the racing population and no horse with a cough or nasal discharge should be allowed on the grounds.
