for the first initial start at a NYRA track or if a change in silks is to be  
made. Owners will be accommodated with a silk change after the overnight  
is out, if the final proof for the program has not gone to print. Silk changes  
after the program has gone to print may be accommodated with  
permission from the Board of Stewards and will be announced to the  
public before post time but may result in a fine. All silks must be

registerable with the Jockey Club for usage at a NYRA track.

**ATTENTION TRAINERS AND VETS**

Recently, there have been some questions posed regarding the Commission's rules pertaining to the use or possession of growth hormone or growth factors by trainers or veterinarians at New York racetracks and while training horses to race in New York. This memorandum is intended to provide clear notice of the Commission's Thoroughbred regulations pertaining to possession or use of growth hormone or growth factors.

All forms of growth hormone and growth factors (e.g., Medivet SGF1000 RMR, TB1000) are PROHIBITED by Commission Rule 9 NYCRR 4043.12(a), which prohibits at any time the possession on the racetrack or use anywhere of these substances. See S2(5, 7) of ARCI "Prohibited List" annexed to Model Rule ARCI-001-015 version 7.0. This current rule has been in effect since August 2018. These substances were prohibited by a previous version of this rule in July 2012.

A horse in violation of this prohibition will be BARRED from racing until it is certain that the horse is no longer affected by the growth hormone or growth factor, and no less than 30 days to 180 days depending on the trainer history of equine drug violations. 9 NYCRR 4043.12(e)(1). The license of the trainer, and other responsible persons, in the absence of extraordinary mitigating circumstances, will be REVOKED. Id. at (2).

Certain substances (e.g., Interleukin Receptor Antagonist Protein (IRAP), Protein Rich Plasma (PRP), and Autologous Conditioned Serum (ACS)) that are listed on the ARCI Prohibited substance list MAY be used, provided that conditions for restricted therapeutic use are met. 9 NYCRR 4043.12(b).

**BY ORDER OF THE STEWARDS**

In all allowance/optional claiming races, once the overnight is out, there can be no change in regard to the condition the horse was entered for (allowance conditions or claiming price); regardless of it being a trainer's error or a racing office error.

**HORSEMAN'S ADVISORY:**

The application of any type of topical medication designed to alleviate pain, soreness or tenderness of the feet of horses (e.g.: Jim Ricken's Foot Formula #1 or Hawthorne Products Hoof Freeze Solution) on race day is forbidden.

**ATTENTION BELMONT TRAINERS**

All manure must be placed inside the proper containers. Areas around the containers must be raked and kept clean. All horses must be washed on the wash racks. Hose lines around the barn area can not be left running. Failure to comply will result in fines.

A 1.5% aftercare assessment will be added on top of the claiming price for all claimed horses.

**SHIPPERS:**

Please contact the stall office (516-325-2395) prior to arrival if shipping to a private barn.

**CRYO FREEZE:**

Any Cryo Freeze therapy must be done by a Licensed Veterinarian.

**WORKOUT REQUIREMENTS:**

Entries will not be accepted for any horse requiring a workout. Please confirm a workout has been published prior to entering.

**LASIX CERTS:**

Lasix certs + Off Lasix certs must be submitted PRIOR to day of entry.

**GELDINGS:**

New geldings must be reported by trainers within 72 hours. Horses coming from farms as geldings must be reported by trainers prior to entry. Trainers are subject to a minimum \$1,000 fine.

**OWNER CHANGES:**

No change of ownership will be done without a Bill of Sale signed and notarized by both the actual buyer(s) and seller(s). No agent signatures. Please submit prior to entry. Failure to comply will necessitate a scratch.

**OWNERS / TRAINERS**

Please make sure to register/renew stable names with the Jockey Club.
