

NSA Official Notices Tuesday, September 28, 2021

Genesee Valley Nominations

Nominations (10) for the Genesee Valley Hunt Cup timber stakes (#76), to be run Saturday, October 9, are attached.

Genesee Valley Course Report

The Genesee Valley racecourse was inspected on Monday, September 27, 2021 by Marion Thorne and David Chugg.

Turf: The turf is thick and has been mowed frequently due to consistent rains.

Smoothness: The course is smooth throughout.

Compaction: 70 (soft).

Moisture: 8 (average wet).

Notes: A lack of racing and livestock on the course has made the course much smoother. The course has been aerated, and mowed regularly.

Virginia Fall Nominations

Nominations (6) for the National Sporting Library & Museum Cup timber stakes (#81), to be run Saturday, October 9, are attached.

Virginia Fall Substitute Race (Training Flat)

For Three Year Olds and Upward. Three-year-olds, 150 lbs.; older, 155 lbs. Maidens allowed 5 lbs. Apprentice riders allowed 5 lbs. **No other rider allowances. The result of this race does not count toward a horse's official record.** Entry fee \$100.

One Mile and One Half on the Turf.

Far Hills Nominations

Nominations for all six stakes races at Far Hills, to be run Saturday, October 16, are attached.

Rhino Vaccine for Far Hills

All horses running at Far Hills on Saturday, October 16, are required to have a rhino vaccine within 120 days, and no less than 7 days.

New Jersey Whip Rule (Applies at Far Hills)

According to the New Jersey Administrative Code, 13:70-11.12 Riding Crop Prohibited:

- (a) No jockey or exercise rider may use a riding crop at any time, or for any reason, except when necessary to control the horse for the safety of the horse or rider.
- (b) If a jockey or exercise rider uses the riding crop in a manner contrary to this section:
 1. The jockey or exercise rider may be suspended and/or fined by the stewards; and
 2. The jockey's share of the purse shall be forfeited if, in the opinion of the stewards, the unauthorized use of the crop caused the horse to achieve a better placing.

Distance Corrections at Charleston

The Maiden Claiming Hurdle (#115) will be run at a distance of 2 3/8 miles. The Alston Cup three-year-old hurdle (#117) will be run at a distance of 2 1/16 miles.

150-Day Layoff Report Forms

Entries for horses that have not raced for 150 days or more (excluding first-time starters) will **not** be accepted unless the trainer has completed and submitted a Layoff Report Form. Please complete the Maryland form and submit it to the NSA Office by fax or email. Please use the following link to access the forms: <http://tharacing.com/resources/layoffreportform/>

NSA Vet's List Policy

A horse may be placed on the NSA Vet's List by the Stewards, based on a recommendation by the race meet veterinarian, due to pre-race veterinary examination findings or lameness or injury during a race or lameness or health conditions observed post race. During the pre-race examination, if the examining vet discovers a condition that warrants a second review, that horse may be walked "in hand," not lunged or ridden before a second examination.

Any horse that is placed on the NSA Vet's List "for lameness" shall not be eligible for race entry for at least seven (7) days and said horse must be examined by an equine veterinarian at the resident stable. That exam must consist of a complete assessment of that horse with particular attention to the findings that placed the horse on the vet's list. The horse will be observed in hand and under tack at a walk, trot and canter. If examination findings indicate that the horse is racing sound, a drug screen shall be drawn and submitted to a testing laboratory. If that screen is negative, the horse will be removed from the Vet's List. The cost of the examination and the drug screen shall be the responsibility of the trainer or owner of the horse.

This examination of a horse on the NSA Vet's List differs from most flat racing jurisdictions in that there is no designated work required other than observation under tack. This difference is due to the widespread geographic distribution of horses involved in jump racing and the lack of supervising regulatory veterinarians in most areas.

NSA Clenbuterol Policy

Clenbuterol is an accepted treatment for certain respiratory diseases in the horse, however, it has been used off label for its partitioning effects and as an anabolic agent.

Clenbuterol is prohibited in racing and NSA has a zero tolerance level for this substance in post-race

testing. If a horse has been prescribed by a veterinarian for the treatment of respiratory disease in a horse that is to run in an NSA sanctioned race, a copy of that prescription must be filed with the NSA Equine Medical Director at the NSA office.

No horse should run within 30 days of treatment and if there is a question of clearance then a pre-race drug test should be run to ensure compliance.

If clenbuterol has been detected in a horse's post race or out-of-competition sample and the appropriate prescription has not been filed, the horse shall be placed on the Official Veterinarian's List pending investigation.

NSA Shoe Policy

No toe grabs, caulks, stickers, turndowns, inserts, trailers, or heel extensions will be allowed on the front or hind shoes. Note: The insert on the toe of the Queen's Plate is considered a "wear plate," not a toe grab. Block heels on the hind shoes (not to exceed ¼ inch) are permissible. **Outer rim shoes are allowable providing there is no toe grab.**

NSA Lasix Guideline

A horse that is entered on Lasix and does not receive Lasix will not be permitted to run, **unless it is determined by the Stewards that there were extenuating circumstances that led to the inability to administer the medication in a timely manner, and the trainer of the horse chooses to run the horse without Lasix. Under these conditions, the trainer assumes all risk as it relates to the health and condition of the horse during or immediately following the race.**

Note: This policy supersedes NSA Rules of Racing 10.1.B.

NSA Voided Claim Policy

By order of the NSA Stewards Advisory Committee, a claim for a horse entered in a claiming race may be voided by the claimant if the horse suffers a fatal injury during or immediately following the running of the race, or the horse is deemed to be "unsound" by the examining veterinarian, up to one (1) hour after the race.

Rider Allowance Policy

In all steeplechase races, except handicaps (other than ratings) and stakes races, riders who have never won a race, allowed ten (10) pounds; riders who have not won five (5) races, allowed seven (7) pounds; riders who have not won fifteen (15) races, allowed five (5) pounds. Once a rider wins fifteen (15) races, he/she is no longer eligible for an allowance. These apprentice allowances may be claimed up to one (1) hour prior to post-time for the first race.

Apprentice Rider Policy

If a trainer would like to use an apprentice rider that has not met the prior conditions of eligibility, they must submit a "**Petition to Ride**" request to the Stewards Advisory Committee, at least two weeks prior to the time of entry for the race in question. That request will be thoroughly reviewed by the Committee and a determination will be made on their best judgment. Petitions not sent in a timely manner will automatically result in a denial of the request.

**The Genesee Valley Hunt Cup
(Timber Stakes)
\$25,000 Guaranteed**

PURSE \$25,000 Timber. For Four Year Olds and Upward. Four-year-olds, 150 lbs.; five-year-olds, 155 lbs.; older, 160 lbs. Winners of two races over timber, 5 lbs. extra. Non-winners' over timber, allowed 5 lbs. (Apprentice timber races not considered).
